A Mother's Day Prayer

Lord we pray for all **MOTHERS**
 Beautiful and wonderful
 they fill the earth
 Gracious in Your call they
 carry life
 In a bond of love they bring
 forth a child.

We ask You to bless all **MOTHERS** today
 May they feel the joys of motherhood
 everyday
 In all their struggles giving us a livelihood
 May Your **LOVE** and **COMPASSION**
 be with them for good.

May every **MOTHER** feel today
 The pride and beauty of a family they bear
 Through all pain and sorrow Lord
 deliver them
 In Your **STRENGTH** and **GRACE**
 may they always stay.
AMEN!

Time for Important Questions

That day when evening came, he said to his disciples, "Let us go over to the other side."
 Leaving the crowd behind, they took him along, just as he was, in the boat. There were also other boats with him. A furious squall came up, and the waves broke over the boat, so that it was nearly swamped. Jesus was in the stern, sleeping on a cushion. The disciples woke him and said to him, "Teacher, don't you care if we drown?" He got up, rebuked the wind and said to the waves, "Quiet! Be still!" Then the wind died down and it was completely calm.
 He said to his disciples, "Why are you so afraid? Do you still have no faith?" They were terrified and asked each other, "Who is this? Even the wind and the waves obey him!" **Mark 4:35-41**

The disciples had planned to go to the other side of the lake, when a storm comes up. Life can be like that we have a plan and then it turned seemingly upside down. We like the disciples feel swamped. In this trying time of the COVID-19 virus we may be asking many questions. Questions similar to the disciples who find themselves in a storm. We wonder where is God in this? It seems as He is either absent or possibly asleep. Like the disciples we may ask, "Don't you care?" Jesus does answer, with the command of "Peace, be still."
 We see the command of Christ to the wind and the waves, yet it is also to the disciples and to us. Peace be still. Yes, following this command may be easier said than done. How can one be at peace when the waves are still crashing and the wind still howling? I would suggest that the only way to answer this command is to answer the second question, "Who is this?" This is the most important question. As we gain clarity of who Jesus is and who He is to us then we will see and experience Him as our Prince of Peace.

Over the next while please take some time to explore those these questions.
 Who is Jesus? Who is Jesus to me?

Blessings,
